Big Idea What is the big idea that the learner will walk away with at the end of the lesson that is critical for learners at this stage of their learning path?	Learning Outcome(s) What specific things will the learner know or be able to do by the end of the lesson?	Evidence of Learning What does learning look like for this objective? (e.g., accurate performance of a task, correct use of terminology)	Assessments What will learners do to provide evidence of their learning? (e.g., a presentation, a test, a project)	Learning Activities What learning activities will allow learners to acquire and practice the skills necessary to demonstrate their learning and complete the assessment successfully?
The big idea that the learner will walk away with at the end of the lesson is the importance of teamwork in achieving success in football.	Understand the significance of teamwork in football.	Learning for this objective will be demonstrated through the ability to analyze and discuss the role of teamwork in football, articulate the importance of coordination and communication among team members, and recognize instances of effective teamwork in game situations.	A written reflection on the importance of teamwork in football, including examples from real matches	Watch and analyze video clips of football matches highlighting instances of successful teamwork.
	Identify key elements of effective teamwork on the field.		Play multiple games to confirm the concepts and actually apply whatever the learning was to perform the actual task.	Engage in team-building exercises and drills on the field to practice coordination and communication skills.
	Demonstrate an understanding of how teamwork contributes to success in football.			Actually go out on the field and perform within teams to learn more about the game
